

How to access any class page

1) Login to the Academy portal at <http://www.stjacademy.org/userlogin.cfm>

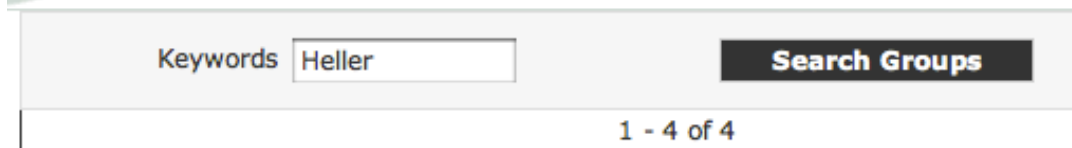

The screenshot shows the 'Community Login' page. At the top left, there is a navigation menu with 'Basketball' listed multiple times and 'Mt. Adams' at the bottom. The main heading is 'Community Login' in green. Below it is 'Site Login' and a prompt: 'Please provide your username and password to log in:'. There are two input fields: 'username' and 'password'. A 'login' button is positioned below the password field. A link for 'Forgot your username/password?' is located below the login button.

2) When the “Employee Portal” page load, click on “Class Directory” over on the left.

3) On the “Class Directory” page you can search for classes by keyword. Searching by class or teacher last name works well. Enter in your search parameter and hit “Search”. A list of your results will be shown. Click on the class page you want to view.

The screenshot shows the search interface. It features a text input field labeled 'Keywords' containing the text 'Heller'. To the right of the input field is a black button with white text that says 'Search Groups'. Below the search bar, the text '1 - 4 of 4' is displayed.
